Old World Wisconsin is in need of new benches at the tram stops throughout the site where visitors can rest while they wait for the tram, or simply enjoy the beauty of the day.

Benches offer a unique way to celebrate or pay tribute to a loved one, or show your love of Old World Wisconsin.

These beautiful, heirloom-quality 5 foot wide benches are made from sustainably-harvested teak and certified by the World Wildlife Fund.

For only \$2000 per bench, including a 2 x 5 inch brass plaque with your choice of wording (pending space considerations), your bench can pay tribute to a special person for 10 years or the life of the bench.

What a beautiful way to show you care about a loved one, Old World Wisconsin, and the environment!

Please return the enclosed card in the envelope provided. You will be contacted for details on your inscription and bench placement.

Please feel free to contact me with questions.

Sincerely,

Gwen H. Griffin
Executive Director
