# TO MAKE AN IMPACT AT OLD WORLD WISCONSIN!

Heritage breed livestock conservation is underway at Old World Wisconsin! Although these animals bring 19<sup>th</sup> century history to life, they receive the very best 21<sup>st</sup> century care. In addition to general care, which is costly on a continual basis, the animal program needs additional funds to make repairs to the animal care facility and fencing enclosures, acquire new animals to meet the goals of OWW's conservation efforts and/or increase the seasonal staff to both expand the quality care the animals receive as well as enhance educational opportunities about heritage livestock conservation.

## **YOU HAVE THE OPPORTUNITY TO IMPACT THIS PROGRAM NOW!**

The Chair of the OWW Board of Trustees has issued a challenge to raise \$40,000 by August 4, 2023, to enhance Old World Wisconsin's heritage livestock conservation efforts.

# **SAVE THE DATE**
